

Granting Business Mobile Deposit Access to Users

Company Administrators will have automatic access to Business Mobile Deposit using the CSB Business Mobile Banking app. The Company Administrator will need to permit Users' access before they are able to deposit checks using the Business Mobile Deposit service. Instructions for how to grant Business Mobile Deposit access to Users are outlined below.

Step 1:

From the Business Online Banking dashboard, click the **Administration** tab and select **User Admin** from the dropdown menu. Locate the User that you want to grant Business Mobile Deposit access to and click the **Edit** icon for that User.

The screenshot shows the 'User Administration' page with a navigation bar containing 'Dashboard', 'Transfers', 'Activities & Reporting', 'Payments', and 'Administration'. Below the navigation bar, there are fields for 'Target Market: Default', 'Market Segment: Corporate Market Segment', and 'Customer Name: John Smith Company'. A table titled 'Users' lists three users: 'jsmith' (Admin), 'mjones' (User), and 'ssullivan' (User). The 'mjones' row has an 'Edit' icon highlighted with a red box and a red arrow pointing to it. The table also includes columns for 'User Id', 'User Name', 'User Type', 'Go To User', and actions like 'Detail', 'Edit', 'Delete', and 'Copy'.

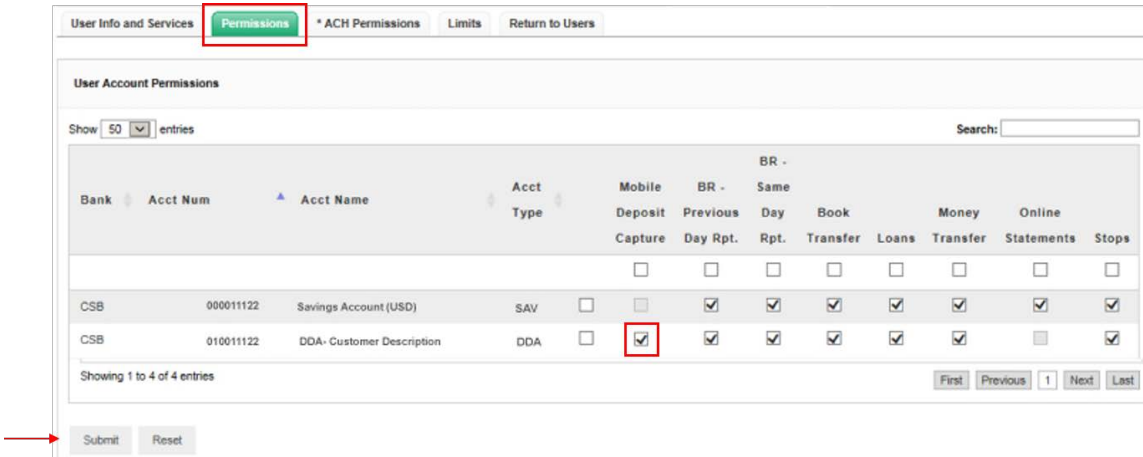

Step 2:

From the **User Info & Services** tab on the **Edit User Information** screen, select the **Mobile Deposit Capture** service options under **Service Info** and click **Submit** to permission the User.

The screenshot shows the 'Edit User Information' page with the 'User Info and Services' tab selected. The page is divided into two main sections: 'User Login Information' and 'Service Info'. The 'User Login Information' section includes fields for 'User Code (12)' (jsmith), 'Generate Password', 'User Name (40)' (jsmith), 'Address 1 of 2 (40)' (123 Main Street), 'Address 2 of 2 (40)', 'City (25)', 'State or Province (25)', 'Postal Code (20)', and 'User Contact Information' (Contact Name (40) and Telephone (25)). The 'Service Info' section lists various services with checkboxes, including 'Dashboard', 'Loans', 'Mobile App', 'Mobile Deposit Capture', 'Money Transfer', 'Bank Short List', 'Multiple Wire Input', 'Template Group Maintenance', 'Wire Approval', 'Wire File Import', and 'Wire File Map Definition'. The 'Mobile Deposit Capture' checkbox is highlighted with a red box. At the bottom, there are 'Submit' and 'Reset' buttons, with a red arrow pointing to the 'Submit' button.

Step 3:

From the **Permissions** tab on the **Edit User Information** screen, select the **Mobile Deposit Capture** box next to the account(s) to which you want the User to be able to make mobile deposits and click **Submit**.

The screenshot shows the 'Permissions' tab selected. Below the navigation tabs, there is a 'User Account Permissions' section. A table lists accounts with various permission checkboxes. The 'Mobile Deposit Capture' checkbox for the 'DDA - Customer Description' account is checked and highlighted with a red box. Below the table, there are 'Submit' and 'Reset' buttons. A red arrow points to the 'Submit' button.
